

Support the Revina Gomes Tuition Assistance Fund

The Revina Gomes Tuition Assistance Fund helps families in need afford the cost of attending St. Charles Borromeo Academy.

Revina Gomes taught at St. Charles Borromeo Academy for over 20 years. The students were her family. Although she was very strict and didn't put up with anything outside her boundaries, she loved every one of her "children" and they all knew it. At her funeral, many of her former students sent messages telling of what she meant to them, and how she taught them values that helped them in their adult life. As many will attest, her memory lives on in the lives of those she touched.

Please help us honor her legacy by insuring that many more students will become a part of the family she loved so much.

Help spread the gift of a Catholic education! Visit the Go-Fund-Me page listed below.
